Not available in all areas; addresses ineligible for 5G Business Internet may be eligible for 4G LTE or other fixed wireless options. During congestion, Business Internet customers may notice speeds lower than other customers due to data prioritization. Plus taxes & fees for accounts currently paying for a T-Mobile wireless line with additional taxes & fees: Monthly Regulatory Programs (RPF) & Telco Recovery Fee (TRF) totaling \$1.40 per data only line (\$0.12 for RPF & \$1.28 for TRF) apply; taxes/fees approx. 3–12% of bill. Credit approval required. For use only with T-Mobile Gateway for in-home use at location provided at activation. If canceling service, return gateway or pay up to \$370. **Video** streaming resolution depends on available speeds. For best performance, leave video streaming applications at their default resolution setting. Not compatible with some live TV streaming services. **Price Lock** guarantees your regular monthly rate for your current qualified home internet service plan (excludes taxes/fees, limited time promotions, per-use charges, third-party services, devices and network management practices). **Business Internet General Terms:** Credit approval required. For use only with T-Mobile Gateway at location provided at activation on unlimited plans. If canceling service, return gateway (when included) or pay up to \$750. Video streaming resolution depends on available speeds. For best performance, leave video streaming applications at their default resolution setting. Not compatible with some live TV streaming services. **AutoPay Pricing** for lines 1–8 on account. Without AutoPay, \$5 more. May not be reflected on 1st bill. **Security and productivity filtering** blocks select content. See Sales Rep or T-Mobile.com/filtering for content filtering options and details. **Coverage** not available in some areas; capable device required for 5G. **Network Management:** Service may be slowed, suspended, terminated, or restricted for misuse, abnormal use, interference with our network or ability to provide quality service to other users. See T-Mobile.com/OpenInternet for details. **See Terms and Conditions (including arbitration provision)** at www.T-Mobile.com for additional information.
